Matter MAT-2024-0912 — Vantage Foods Holdings Pte Ltd — Joint Venture Shareholders Agreement

Subject: Vantage Foods JV — shareholders agreement

Jonathan,

We have agreed heads of terms with Maximus Retail Group for a 50/50 joint venture to operate the Vantage Foods cold-chain business. Please prepare a shareholders agreement on a standard basis — four directors, two each, reserved matters requiring unanimity, and a straightforward buy-sell if we deadlock.

We do not need anything elaborate. Both sides know each other well and the commercial relationship is good.

Daniel

Subject: RE: Vantage Foods JV — shareholders agreement

Daniel,

Understood. I will flag now that a bare buy-sell in a 50/50 with no valuation machinery tends to reward whichever party has readier access to capital rather than whichever is in the right. You have instructed us to keep it simple and we will, but please note the point is on the file.

Draft to you by 28 October.

Jonathan
